

Boost Accessories

GBC007 Boost Eyelet Cable w/X-Connect Adapter

GBC009 Boost Eyelet Cable w/SAE Adapter

Directly Connect Boost & Chargers

Cable and adapter to **jump start & charge.**

Rugged jump starting & charging adapter for direct connections to hard-to-reach batteries.

The NOCO Genius Boost eyelet cable with X-Connect or SAE adapter features a **heavy-duty mountable eyelet design**. Ideal for connecting to hard-to-reach batteries, often found in motorcycles, ATVs, and other smaller applications. Mount the eyelets to the battery for **quick access to both charging and jump starting**. Remove the adapter from the eyelets to connect directly to either the GB20, GB30, or GB40 Boost models, or connect the adapter to the eyelets to allow for plug-n-play with Genius Chargers or SAE equipped battery chargers.

UltraSafe™

All NOCO products are tested with safety as the top priority with non-toxic materials and quality manufacturing.

Heavy Duty Design

From custom engineered strain reliefs to heavy gauge wire, NOCO accessories are dirt, water, UV, and impact resistant.

8^{AWG}

Made from durable, high-performance 8AWG silicone wire that maintains its flexibility in cold weather environments.

Universal Compatibility

Compatible with Genius Chargers or SAE equipped chargers. Connect directly to GB20, GB30, & GB40.
