

CS Hand Cleaner

Hand Cleaner

V01
06/2018

:: CHARACTERISTIC

The Carsystem Hand Cleaner is a mild, pleasantly scented hand cleaner, which is based on non-irritating plant scrubs. The product contains no solvents, is biodegradable and leaves a pleasant feeling on the skin due to a natural and skin friendly cleansing oil. Even by using it frequently no skin irritations will occur.

:: APPLICATION

It is perfectly suited for removing tenacious dirt caused by oils, greases or bitumen.

:: PRODUCT DATA

MATERIAL DATA

Form:	Cleaning paste
Colour:	light-brown
pH-value at 20°C:	approx. 6.5
Density at 20°C:	1.0g/cm ³
Durability:	24 months at approx. 20°C

:: HANDLING

The CS Hand Cleaner can be applied even on dry hands as well as on wet hands. Apply a small amount, add some water and wash. Then thoroughly rinse and dry.

In combination with the CS Dispenser for Hand Cleaning System you can fix the CS Hand Cleaner soft bottle as a dispenser system on the wall.

As an alternative the CS Hand Cleaner classic can be placed as a 3L bucket. If a pump is required for the bucket, it must be ordered separately.

:: SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery terms and conditions and the latest Technical Data Sheet, which should be demanded, apply.

Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.

CARSYSTEM[®] Hand protection plan

HAND PROTECTION

Before starting work –
as needed during work

Protective lotion for the prevention
of skin irritations in handling and
contact with oil, detergents, acids,
bases and greases.

Do not forget finger gaps
and wrists
