A13888 : Universal ADR complete kit 100 % LED

The A13888 kit offers a complete signalling system solution for trailers and semi-trailers, in full compliance with the ADR and European regulations.

This system exclusively contains **100% LED** signalling lamps including brand new LC12T tail lights.

It has been chosen by many clients for its easy and quick mounting thanks to RSC plugs and click-in connectors on flat cables (RSC system wiring of 16 m + 16 m side flat cables, 2 m rear adapter, front adapters 3 plugs).
